

Fresh Cut

Finished Size: 62" x 77 1/2"

Block Size: 8 1/2" x 8 1/2"

This quilt is a lot of fun to make and can be pulled together easily from a mix of light and dark fabrics. Many of my quilts contain more fabrics than the requirements call for – I always enjoy throwing in an extra print or two from my stash just to spice things up. The requirements below list the necessary yardage as well as the total number of squares needed if you choose to work from your stash. Decide on a theme such as brights, batiks, florals, etc. then divide your mix into light and darks and start cutting squares! Make your quilt scrappy or work from your stash. Enjoy!
